## News and information

### Changes to 1|2|3 Graduate Current Account

For customers who start their second year on the 1|2|3 Graduate Current Account, we're reducing the interest-free overdraft amount from £2,000 to £1,000 from July 2021. If you use more than £1,000 of your overdraft, you'll be charged interest on the amount above £1,000. If you're already in your second year, you won't be affected by this change.

We are contacting customers moving into their second year in July 2021 to remind them of the changes. For more information visit [santander.co.uk](http://santander.co.uk)

### Important to keep your mobile phone number up-to-date

Our free text alerts keep you up-to-date with your accounts. We send important text alerts automatically, for example to prevent fraud or when you are overdrawn to give you time to pay in money and either avoid or reduce overdraft charges. You can also choose to set up other alerts to help manage your money.

To make sure you receive them it's important that you provide your mobile phone number and keep it updated.

To update your mobile number, click the 'My Details & Settings' tab in Online Banking. Alternatively, you can phone or visit a branch with your debit or credit card.
